Greetings LNJA Family,

Kindergarten-2nd Grade

We started learning about the Fruits of the Spirit this week! Our first Fruit of the Spirit we focused on is LOVE! Please ask your student to tell you about the many ways we can show love to one another. Ask them their favorite way to receive love too! We will focus on one Fruit of the Spirit every week. Every Fruit of the Spirit will have its own treasure verse that we will need to memorize. Students will need to recite their treasure verse my heart every Friday.

Grades 3-5

Dear Parents,

We finally had a regular, full week of school. In math, our 5th graders are learning about quadrilaterals and triangles; 4th graders are learning geometry (line, line segment, rays); and 3rd graders are learning about graphs. For science, we're wrapping up mitosis and meiosis; for social studies, we learned about the Mayans and Aztecs; and for language arts, we're halfway through our chapter book. Please remember that Monday is our first field trip of the year to ENC. Students may wear their Friday shirts, jeans, and tennis shoes, bring lunch boxes and water bottles, and have a good attitude. Thank you for turning in permission slips and money promptly. I appreciate it. Have a wonderful weekend. See you Monday. Blessings, Mrs. Moningka
