Mt. High

Mt. High Dates:

February 14, 2024
February 21, 2024

Grades K-2

In Bible class we continue learning about how “Jesus Loves You” and are focusing on the story of Zaccheus. We learned that Jesus came to seek those who were lost and helped them repent and give their hearts to God. Ask your student to tell you about the story! We can't wait to celebrate Valentine's day with a class party and share the love we have learned so much about! In Science, we started a new unit in which we are learning about the different seasons. This week we learned that the seasons help us know what type of whether to expect. We even learned what kind of weather each one of us will have on our birthday! We also had fun experiencing the rain and being able to use our rain boots, umbrellas, and winter jackets! Check out our pictures!

Grades 3-5,

MT HIGH

Two weeks of fresh air, pine trees, and now fresh snow! We're halfway through our beloved Wednesday tradition. Thank you, parents, for driving and chaperoning. This is an experience our students truly enjoy and look forward to. Thank you for making it happen. See you next week on the mountain.

Dear Parents,

We've already begun our academic fair projects, specifically our research project. Students have picked a topic in science and are deep into the research portion of our project. But we also began our creative part - writing a creative story or picture book and creating a 3D model out of a cardboard box (STEAM). Please join us on March 21 for our Academic Fair where these projects (plus many more) will be displayed. Let me know if you have any questions. Have a great weekend, and we'll see you next week. Blessings, Mrs. Moningka

Grades 6-8

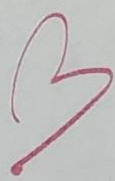

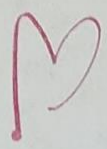

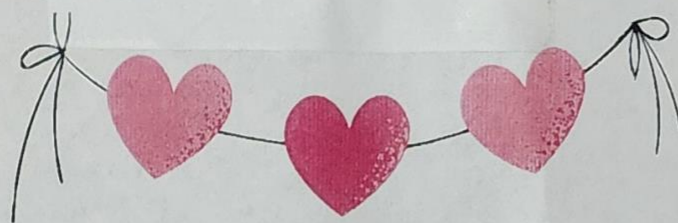

POPCORN- \$1 Tuesdays

Grades 6-8 is selling popcorn to raise money for field trips. Our favorite field trip the funds will be used for is whale watching)in May!

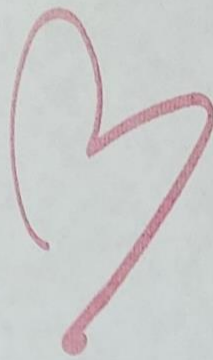

AVIATION is our focus in STEM this year. We are well into our social studies and science projects for fourth quarter. The project slide shows and websites will be so fun to watch! On Friday, we finish designing our blimps and begin construction. If we have time, we will start flying them!

February 9, 2024
