- February 21, 2024

Grades K-2

Our students took their second round of standardized testing this week. They will be testing a total of three times this school year, Fall, Winter, & Spring. Our students are becoming more familiar with how to take the MAP test and are showing progress in their scores! In Science, our class is having so much fun learning how to be weather watchers! Please ask your student how we can be weather watchers and how different things can tell us about our weather. We made another Breeze Buddy to send home. Please help your student hang their Breeze Buddy outside your home. In Bible class, we continued learning about how “Jesus Loves You” and focused on the parable of the Lost Coin. Ask your student to tell you about the story!

Grades 3-5,

MT HIGH

Our first trip up the mountain is this Wednesday, January 31. Please turn in permission slips by Friday, January 26. If you have any questions, please reach out to Mrs. Moningka, cmoningka@lnjasda.org Looking forward!

GRADES 3-5

It's our second week of the third quarter, and we already have several students with 5 points on AR. Reading is the foundation so continue encouraging your child to read, read, read. We also finished our MAP testing for winter quarter, and I'm truly pleased with their improvement. Next week is Mt. High which is a nice change for our daily routine. I'm looking forward to seeing you all there on the mountain. Blessings, Mrs. Moningka

Grades 6-8

POPCORN- \$1 Tuesdays

Grades 6-8 is selling popcorn to raise money for field trips. Our favorite field trip the funds will be used for is whale watching)in May!

AVIATION is our focus in STEM this year. On Friday, we finish designing our blimps and begin construction. If we have time, we will start flying them!
