December

2 Jaime Jorge in Concert, 6 pm @ LNSDA Church

Greetings LNJA Family,

Kindergarten-2nd Grade

We began our MAP testing last week and will continue to test this week as needed. Our MAP testing is our standardize testing, which helps us understand where our students rank nationally among their peers. This standardized testing happens three times every school year. Our class finished our first unit in science and we enjoyed learning about animals and what their needs are to survive. We have started a new unit in social studies and will be learning about citizenship.

Grades 3-5

It was great to see you all at Back to School Night. If you were unable to attend, I have extra copies of our classroom handbook that we went over. This handbook includes expectations, guidelines, and an overview of our day to day activities. I hope you're all receiving Progress Reports via email. Let me know if you're not. On September 25, we're having our first field trip to the ENC. I sent home permission slips (along with a tentative field trip schedule) during Back to School Night, so if you need a copy let me know. Finally, we finished our first MAP testing this week. I'm super proud of them as it takes a lot of effort and energy to do well. Have a good weekend. Blessings, Mrs. Moningka

SAVE THE DATE ~

Saturday, December 2, 2023 @ 6pm (LNSDA Church)

We (grades 6-8) are excited to be hosting a benefit concert featuring Jaime Jorge, violinist. You will not want to miss this concert of incredible music!

Aviation is our STEM theme for this year! In addition to STEM, grades 6-8 is learning about our BEAUTIFUL country, the United States of America! We can't wait to learn about our country's history and all it has to offer. Our drones, robotics and STEM are activities that we will be working on throughout the year. We are waiting on our new robotics mats and missions. The theme for our robotics this year is "**Masterpiece**".

Enjoy your weekend and have a Happy Sabbath! – LNJA
