### Important Reminders

***Tuition is due the 5th of  
every month***

Greetings LNJA Family,

We have reached the end of third quarter and we are looking forward to finishing off the year with a bang! To get us started, this week was full of excitement as our 6th-8th graders went on a field trip to the Environmental Nature Center. They had the best time learning about different ecosystems and tracking their data and findings. Our K-8 students also spent Thursday afternoon at Clipper Cove Park. It was wonderful to see our students enjoying the fresh air off campus and the sunshine.

When we return from Spring Break, please make sure to mark your calendars for our Spring Performance on April 9th. This performance will take place on a Saturday during the church service. There will be more information to follow when we return.

We wish you all a great Spring Break and a Happy Sabbath!
