Mt. High

Mt. High Dates:

February 21, 2024

Grades K-2

We had a blast celebrating Valentine's day with a class party and being able to share the love we have learned so much about in Bible class. Thank you for all the goodies and food that were provided! We will be starting a new unit in Bible class that will help us learn more about Easter. In Science, we continue learning about the different seasons. Next week, we will be learning about how the weather can also affect an animal's environment.

GRADES 3-5

It's our second week of the third quarter, and we already have several students with 5 points on AR. Reading is the foundation so continue encouraging your child to read, read, read. We also finished our MAP testing for winter quarter, and I'm truly pleased with their improvement. Next week is Mt. High which is a nice change for our daily routine. I'm looking forward to seeing you all there on the mountain. Blessings, Mrs. Moningka
