*"Let your light shine before men,
that they may see your good works,
and glorify your Father which is in
heaven."*

Matthew 5:16

Greetings LNJA Family,

Happy March!

The K-2 classroom started learning about the tabernacle, and how God gave the Israelites specific instructions on how to create the special meeting tent!

We will continue to learn about the human body. We have started to put together a life-size body for each student. We can't wait to complete our bodies with the parts we are learning about!

3rd-5th Grade

We're deep into our National Parks Projects for the Academic Expo next Thursday, March 16. Although it's a class project, whatever doesn't get finished at school, it needs to be accomplished at home. Please dialogue with your child and see if they're on task. Missing assignments are due at the end of the quarter, March 24. Have a good weekend.

Grades 6-8 had a fun time programming their robot (still yet to be named). They have three missions programmed and the missions are successful! Seventh grade began building their underwater robot. Sixth grade worked on building racing cars out of Legos!

If you would like to view grades 6-8 websites and slide show, we invite to you go to our class website at: www.lagunastem.com. The students are continuing working on their **Rube Goldberg machines** for the Academic Fair. Please make plans to join us for this fun event!

Enjoy your weekend and have a Happy Sabbath! – LNJA
