Grades K-2

Kindergarten - Second Grade Classroom

Our class created "Breeze Buddies" to help us become weather watchers! It was so much fun creating them and hanging them in our school trees. We also enjoyed our Chapel this last week because the 6-8th graders had a puppet show for us. In Bible class we continued learning about how "Jesus Loves You" and focused on the parable of the lost sheep. Ask your student to tell you about the story!

Grades 3-5,

Dear Parents,

I cannot believe we began the third quarter this week. Time flies! Speaking of time, March is our Academic Fair and for this year, our class is focusing on a research project of their choice. We also began MAP testing this week, and we'll conclude next week. Even though it's January, thank you for my Christmas gifts. I truly appreciate every thoughtful gift, word, and photo. Have a great weekend. See you on Monday. Blessings, Mrs. Moninka

Grades 6-8

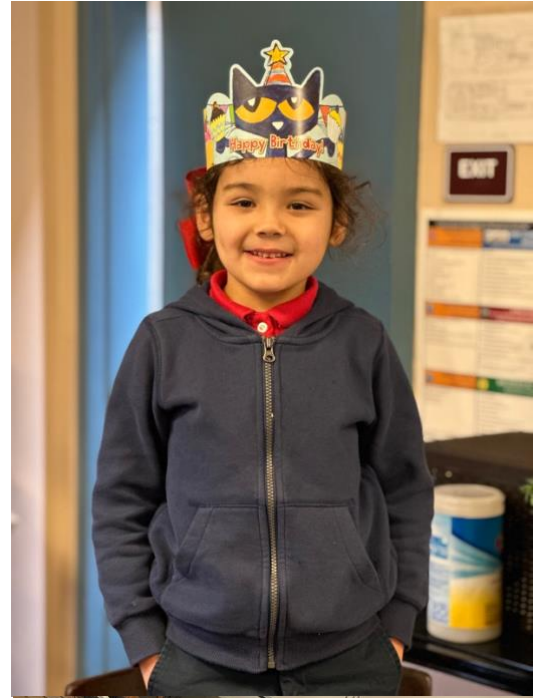

POPCORN- \$1 Tuesdays

Grades 6-8 is selling popcorn to raise money for field trips. Our favorite field trip the funds will be used for is whale watching)in May!

AVIATION is our focus in STEM this year. We started learning about the different types of airplanes and we are designing hot air balloons and learning about how they fly. We are also learning about how to become a hot air balloon pilot! We had so much fun putting on a puppet show for chapel this week. We can't wait until next time!
